**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was one of the first customers of my local Internet and broadband provider Gorge.net in Hood River, OR a small Oregon non-urban community. I am very pleased with my service and the local, affordable and convenient nature of my telephone and Internet services. The video programming that we enjoy is dependent on high speed broadband access.

I am concerned that proposed rate structures and changes to existing arrangements for access endanger my easy and satisfactory access to high speed data connection. I am very hopeful that my Congressman, Mr. Greg Walden, opposes these changes.
